

WE ARE GOING TO BUILD A HOUSE FOR A FAMILY ...

How? – We haven't worked out the details just yet, but we know that we will make this happen.

Project Plan? – We are yet to develop a project plan or even establish a working committee.

Funding? – We are yet to work out the cost; this will follow once we establish a committee and prepare our project plan. Once the cost is determined, Creativity Caravan will provide some of the funds, we will engage in a grand fund raising event, and solicit the assistance of others.

Project Planning Start Date – March 31st 2008

Objective – To rebuild this 'house'
